

BIGC BURSARY APPLICATION FORM

POLICY: This policy is for the parent/guardian of a child interested in pursuing the sport of gymnastics but is unable to commit to the payment required to participate. As the importance of sport is in our highest regard, no child who would like to participate shall be turned away. Bowen Island Gymnastics Club offers options to help offset the costs of training and meet fees and would explore these as the first alternative (ie gym cafes or a service trade). As we have a set budget each year the monies held for bursary participants will be allocated as needed, depending on the number of applicants. To apply, please approach a board member or the registrar to discuss your needs and to receive the application form. Funds are granted to participants based on the information you provide.
